Press Note.

HEALTH OF LIVESTOCK DURING DECEMBER 1950.

In their order of severity, outbreaks of Rinderpest, Blackquarter, Anthrax, Haemorrhagic septicaemia, Foot and Mouth, Contagious goat pleuro-pneumonia, Ranikhet, Sheep-pox, and Rabies were encountered in the State during December 1950. Altogether 134 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 217 villages during the previous month. The number of outbreaks was highest in Mysore, Kolar and Bangalore Districts, while Chikmagalur, Shimoga and Hassan, Districts were least affected. These diseases accounted for 688 attacks, of which 440 succumbed, as against 755 attacks and 480 deaths during the previous month. The departmental staff conducted 17,151 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention, other prophylactic measures were adopted against Foot and Mouth disease.

Prevalence of Rinderpest among cattle, sheep and goats was reported from Channagiri and Holalkere taluks accounting for 79 attacks, of which 78 succumbed. Prompt measures of control were undertaken by the Department to check its spread and 92 cattle and 124 sheep and goats in the infected villages and 2,254 cattle and 558 sheep and goats in the six neighbouring villages extending over a radius of three miles, were protected against the disease. The disease appeared to be well under control at the end of the month under report.

Prevalence of an obscure disease characterised by Gastro-Enteritis among cattle and buffaloes in Hassan and Chikmagalur Districts was reported during the month. The research staff of the department who were promptly deputed to investigate its occurrence protected 539 animals during the month in these districts against the disease.

Diseases caused by internal parasites were reported from 92 villages resulting in 63 deaths, as against 93 villages accounting for 62 deaths during the previous month. The special staff attached to the parasitic disease control units of the department dosed 5,781 animals as against 4,162 animals during the previous month.

The rest of the livestock remained free from diseases during the month, and fodder and water were generally available throughout the State.

Press Note.

The maximum retail rates of Horlicks, Glaxo and Oster milk were fixed by Government in their Notification No. C. 617—C.O. 23-50-2, dated 14th August 1950, under the Hoarding and Profiteering Prevention Act, 1948.

Since the prices of these articles have now been fixed by the Government of India under the Supply and Prices of Goods Act, 1950, the Government have deleted these items from the Notification dated 7th August 1950 referred to above. A Notification No. C. 1315—C.O. 23-50-1, has also been issued on 20th January, 1951 in this behalf.

The effect of this is that the prices of these Infants' Foods will be governed by the Supply and Prices of Goods Act, 1950 and not by the H. P. P. Act, 1948. The rates fixed under the former Act have already been published and the dealers are to sell these foods at or below those rates only.

However, the H.P.P. Act, 1948, continues to be in force and the prices of Glucovita-Glucose D, Dextrosol and Glaxose as fixed in the Notification mentioned in para 1 above will continue to be in force.

EFFICIENCY AUDIT WORK FOR THE QUARTER ENDING 31st DECEMBER, 1950.

During the quarter ending with December 1950, the Efficiency Audit Branch conducted inspecting of 9 Government offices bringing the total number of inspections from the commencement of its work to 373 apart from 6 surprise inspections conducted in accordance with Government Order No. M. 9291-390—E.A. 15-50-2, dated 22nd August 1950.

Under the scheme of Revenue Audit, 2 Taluk Offices were audited with a view to detecting leakages of revenue due to Government. It was observed during the course of audit that revenue demands aggregating to Rs. 2, 33, had not been booked. The concerned officers have been addressed in the matter for taking necessary action.

The accounts of the Taluk Reserve Depot, Nelamangala, and the allied sales depots were audited in detail during the quarter in connection with the alleged misappropriation of stocks and cash valued at about Rs. 26,000 in the Taluk Reserve Depot. An enquiry is also being conducted in this behalf.

The audit staff of the Efficiency-Audit Branch assisted the Anti-Corruption Branch in several investigations and enquiries conducted by the latter. Certain aspects of work relating to the Agricultural Engineer's Office at Bangalore and the accounts of the Krishnarajendra Hospital at Mysore were examined with a view to facilitating further investigations by the Anti-Corruption Branch.

This Branch examined the accounts of the Central Jail, Bangalore, in pursuance of certain allegations of serious irregularities made against the then Superintendent of the Jail, and further action is being taken in the matter.

Press Note.

Subject:—Festival of Britain, 1951—British Industries Fair and other Trade Conferences and important events, urgent need for early notification of the arrival of visitors to ensure suitable accommodation in London and elsewhere.

The Festival of Britain in 1951, is expected to attract visitors to London in such large numbers that it is feared that Hotel accommodation will be more than fully absorbed.

during the period April to October 1951. Visitors to the United Kingdom are, therefore, advised in their interest to make definite arrangements through their travel agents in India to ensure that their hotel or other accommodation is available on arrival in London and thus prevent disruption of their personal plans.

JAGGERY CONTROL.

With a view to the removal of misapprehensions in some parts of the State regarding the control over jaggery, the attention of the public is drawn to the Press Note issued on 28th November 1950. It is once again reiterated for the information of all concerned that there are no restrictions except in the areas of Mandya District notified by the Director of Food Supplies in his notification dated 13th October 1950, for the production and sale of jaggery, and for its movement within or outside the State subject to the overriding condition that sales should be within the ceiling price.
